### INDEPENDENCE DAY

**Name of Activity** : National Independence Day Celebrations.

**Need of the Activity** : To create awareness among the students towards the freedom fighters and patriotism.

Teachers and students of Sri Venkateswara College of Engineering celebrated India's 75<sup>th</sup> Independence Day on the morning of 15th August. It was a very special occasion for the college as it was the first time after lockdown all the students and staff could also participate. The event was marked by flag hoisting, by the Principal Dr N Sudhakar Reddy with the organizers and staff members. The proud moment was followed by the national anthem and the college prayer. In his address, the principal wished the students and members of the College fraternity a very happy year ahead. She recited a poem by the Hindi poet Abhinav Shukla, which invoked the pride of all citizens on this occasion. She applauded the enthusiasm of the students and wished that they would maintain the sentiment through their futures. A surprise for the audience was the March-past by the NSS volunteers. The hostel residents also shared their views to mark the occasion. The day concluded with a heartfelt thanks conveyed by the staff advisors to all those who came to celebrate the day.

### CLEAN INDIA PROGRAM

**Name of Activity** : Waste collection drive and Awareness on Cleanliness  
**Need of the Activity** : To overcome the seasonal diseases.

NSS Unit of Sri Venkateswara College of Engineering has organized Cleanliness Drive under Amrut ka Bharat Mahotsav at adopted village Venkatapuram. The main purpose of this programme was to create awareness among the students and villagers regarding Cleanliness and its benefits. Under this programme, all the volunteers had to participate from October 1 to 31, 2021. Even staff was the essential part of this drive. As a part of this Cleanliness Drive, we had to clean the whole school. Some of us picked brooms and started our job. Some of the students did the dusting of the rooms. And others went to the streets and started picking wrappers lying scattered there. After collecting them they threw them in to the dustbins. After doing this job for two to three hours, we all assembled in the school hall. There we were given refreshment in the form of biscuits and juice. Thereafter our Principal Dr N Sudhakar Reddy delivered the speech telling us the importance of sanitation. In the end we all took oath of keeping our home, locality and city clean. It was a unique experience for all of us. We were curious to be the part of this great drive that could have transformed the face of our country for ever.

## **Foreword**

The NSS Unit of Sri Venkateswara College of Engineering has been trying to follow and nurture the ideology of NSS in a manner that ensures meaningful participation of all stakeholders. The activities carried out in Seven Day Special NSS Camp- 2022 have served as an eye opener for the young NSS volunteers about the contemporary problems that our country is facing. The special initiatives, lectures and activities undertaken during the camp have served as a milestone in fostering social responsibility and nationalism among young NSS volunteers. Sri Venkateswara College of Engineering has always had a strong vision and commitment toward the service of the society and its weaker sections. With deep sense of gratification, we take pride in the successful completion of the camp by the NSS volunteers of the College. Our NSS Unit worked on and off the campus with great enthusiasm and zeal. There are some remarkable social service activities done by the unit. For instance, plantation drives, blood donation camp, generating awareness about waste segregation, cleaning of campus and surroundings by NSS volunteers, sensitization programs on sanitation, hygiene and cleanliness in adopted village Venkatapuram. The insemination of these activities, we believe will go long way in dispersing the seeds of Clean, Healthy and Green surroundings throughout the world through our NSS volunteers. We are pledged to social service and to take this initiative beyond the stipulated time frame. The principles on which NSS as an organization is built, has inherent characters in line with the cause of nation building through service. The activities done by the NSS volunteers during the camp helped them to equip themselves with an insight, sensitivity and close understanding of the problems that are faced at the grass root level. With the field experiences, our volunteers have learnt how to lead a life of dignity with positive mind set and contribute to the growth of Nation by one or the other way. The enthusiasm which our volunteers put their heart into the NSS initiatives, this learning experience is bound to become a movement in itself in the times to come.

We take this opportunity to express our gratitude to Dr. N Sudhakar Reddy, our worthy Principal, for his valuable inputs, guidance and support throughout the year. We congratulate and extend our best wishes to NSS volunteers, teaching and Non Teaching staff who have made this journey a success due to sincere and sustained efforts and for their keen efforts to accomplish the targets in the planned activities.

## **Seven Day NSS Special Camp**

Special Camping forms an integral part of National Service Scheme. It has a special appeal to the youth as it provides unique opportunities to the students for group living, collective experience sharing and constant interaction with the community.

The primary objectives of the special camping programs are:

- Making education more relevant to the present situation, to meet the felt needs of the communities and supplement the education of university/college/school students by bringing them face to face with the prevailing situation of the community.
- To provide opportunities for students to play their due roles in the implementation of various development programs by planning and executing development projects, which not only help in creating durable community assets in rural areas and slums but also result in the improvement of the condition of weaker sections of the communities.
- Encouraging the students and non-student to work along with the adults in rural areas, thereby developing their character, social consciousness and commitment, discipline and healthy and helpful attitudes towards the community.
- Building potential youth leaders by exploring the latent potential among the campers, both students as well as local youth (rural and urban), with a view to involve them more intimately in development projects for longer periods. The local leadership generated during the camps would also be useful in ensuring proper maintenance of the assets created as a result of the camps.
- Emphasizing the dignity of labor and self-help and the need for combining physical work with intellectual pursuits, and encouraging youth to participate enthusiastically in the process of national development, and promote national integration through democratic living and cooperative action.

**NSS Camp 2022**  
**07<sup>th</sup> to 14<sup>th</sup> March 2022**

The Seven Day NSS Special Camp was held at adopted village of NSS Unit, Sri Venkateswara College of Engineering from 07-14 March 2022. More than 50 volunteers registered for this camp with full cooperation, zeal and participated enthusiastically in the camp under the able supervision of Dr. T Chandraiah, NSS Programme Officer under the guidance of Dr. N Sudhakar Reddy, Principal, Sri Venkateswara College of Engineering, Tirupati.

The main objective of the camp was to evolve the volunteers as a human and as an agent of social change. Its thrust was on activities and lectures that help the volunteers to work for the community, in the community and with the community. Multifarious interactive sessions and lectures were held in order to educate the volunteers about certain social, physical, psychological and political phenomenon. Each day began with various sessions, lectures as well as field work.

The above mentioned activities have highly contributed in developing the skills of the students and help them to evolve as an individual in the various spheres, like management, creativity, speaking, and so on. The energy of the volunteers came out like a fire of change. Creativity and imagination have no bounds. Hence, the volunteers carved their thoughts about the above-mentioned topics in diverse and expressive way through various activities. The poster making was practiced during the activity sessions, both held in the evening sessions. Working together, helped them to learn the group skills- like patience, team spirit and helpfulness. With creativity come thoughts that are emphatic. These activities were focused to enhance their skills and be fruitful to them in future. Our worthy Principal Dr. N.Sudhakar Reddy said that guided by the philosophy that cleanliness is a comprehensive term that encompasses not just environmental cleanliness but also cleanliness of mind and soul, the College has added new dimensions to the Swachh Bharat Mission by its Endeavour's focusing on empowering young minds with wisdom.
